OCT 1 5 1996

**RESPONSE** 

In response to the Examiner's action dated to 1996, please amend the application as follows. 21. A ...

In the specification:

Page 14, between lines 14 and 15, after the first full paragraph, insert the following paragraph (corresponds to disclosure in original claim 6):

-- The device has pump/heat exchanger 13 that includes an electric-powered fluid pump and a heat exchanger. The fluid pump is connected to micro-processor-based control electronics and an associated operating program. The fluid pump has its fluid input connected to the heat exchanger containing controlled temperature fluid and its fluid output connected by a fluid supply tube to a bladder device. The pump has the capability of pumping fluid from the heat exchanger to the bladder device when operated. --

Page 15, above line 1, insert the following paragraph (corresponds to disclosure in original claim 4):

> Date of Deposit I hereby certify under 37 CFR 1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated above and is addressed to the Commissioner of Patents and Trademarks, Washington, D.C. 20231
